DAYS

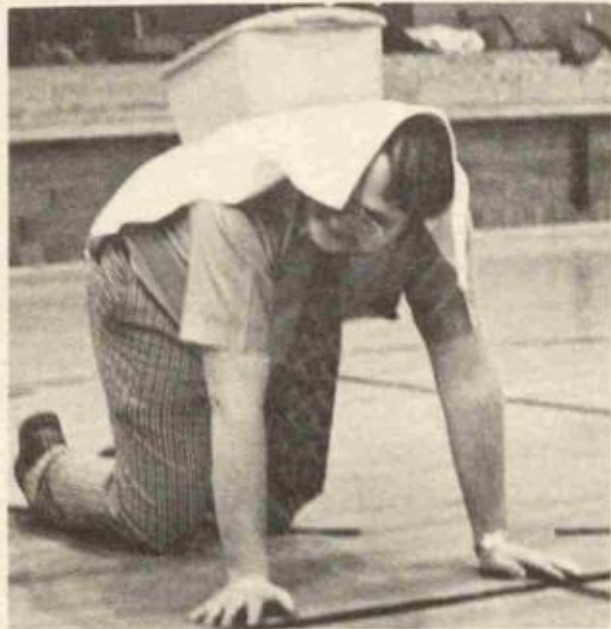

OF

We're free to go where we wish and to be what we want. That is what we'll do. We've had some fun days; we've had some bad days. But these days we will always remember because these are the "Days of Our Lives."

If you think about it,
this year has really gone
fast. None of us has had
time to stop and remember
all the things that has
happened to us; maybe
that's what summer is for.

OUR

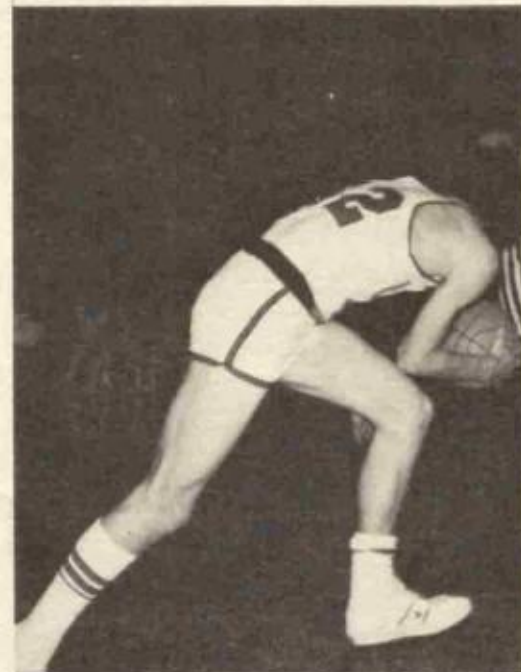

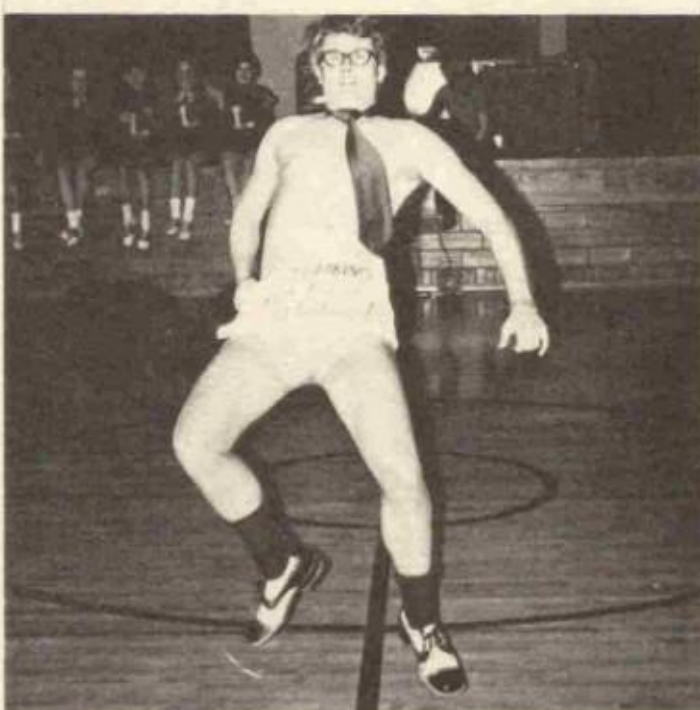

LIVES

Life is a mystery
to be lived;
Not a problem
to be solved.

Can you find yourself here in the crowd? Are you one of the smiling or gloomily-browed? Do you look like a sinner or more like a saint? Do you look like yourself or someone you ain't?

Hawkettes Dominate

The Hawkettes continued to dominate their opponents in impressive style rolling to their 4th straight conference championship and a 20-3 record. Dreams of a return trip to the state tournament were halted by eventual state champion Manilla in a hard fought District Tournament battle. Sue Fredrichs and Mary Ann Lamaak will graduate this spring, but Coach McCrea has a strong group of veterans with which to launch another strong basketball campaign.

Blackhawks Win Conference

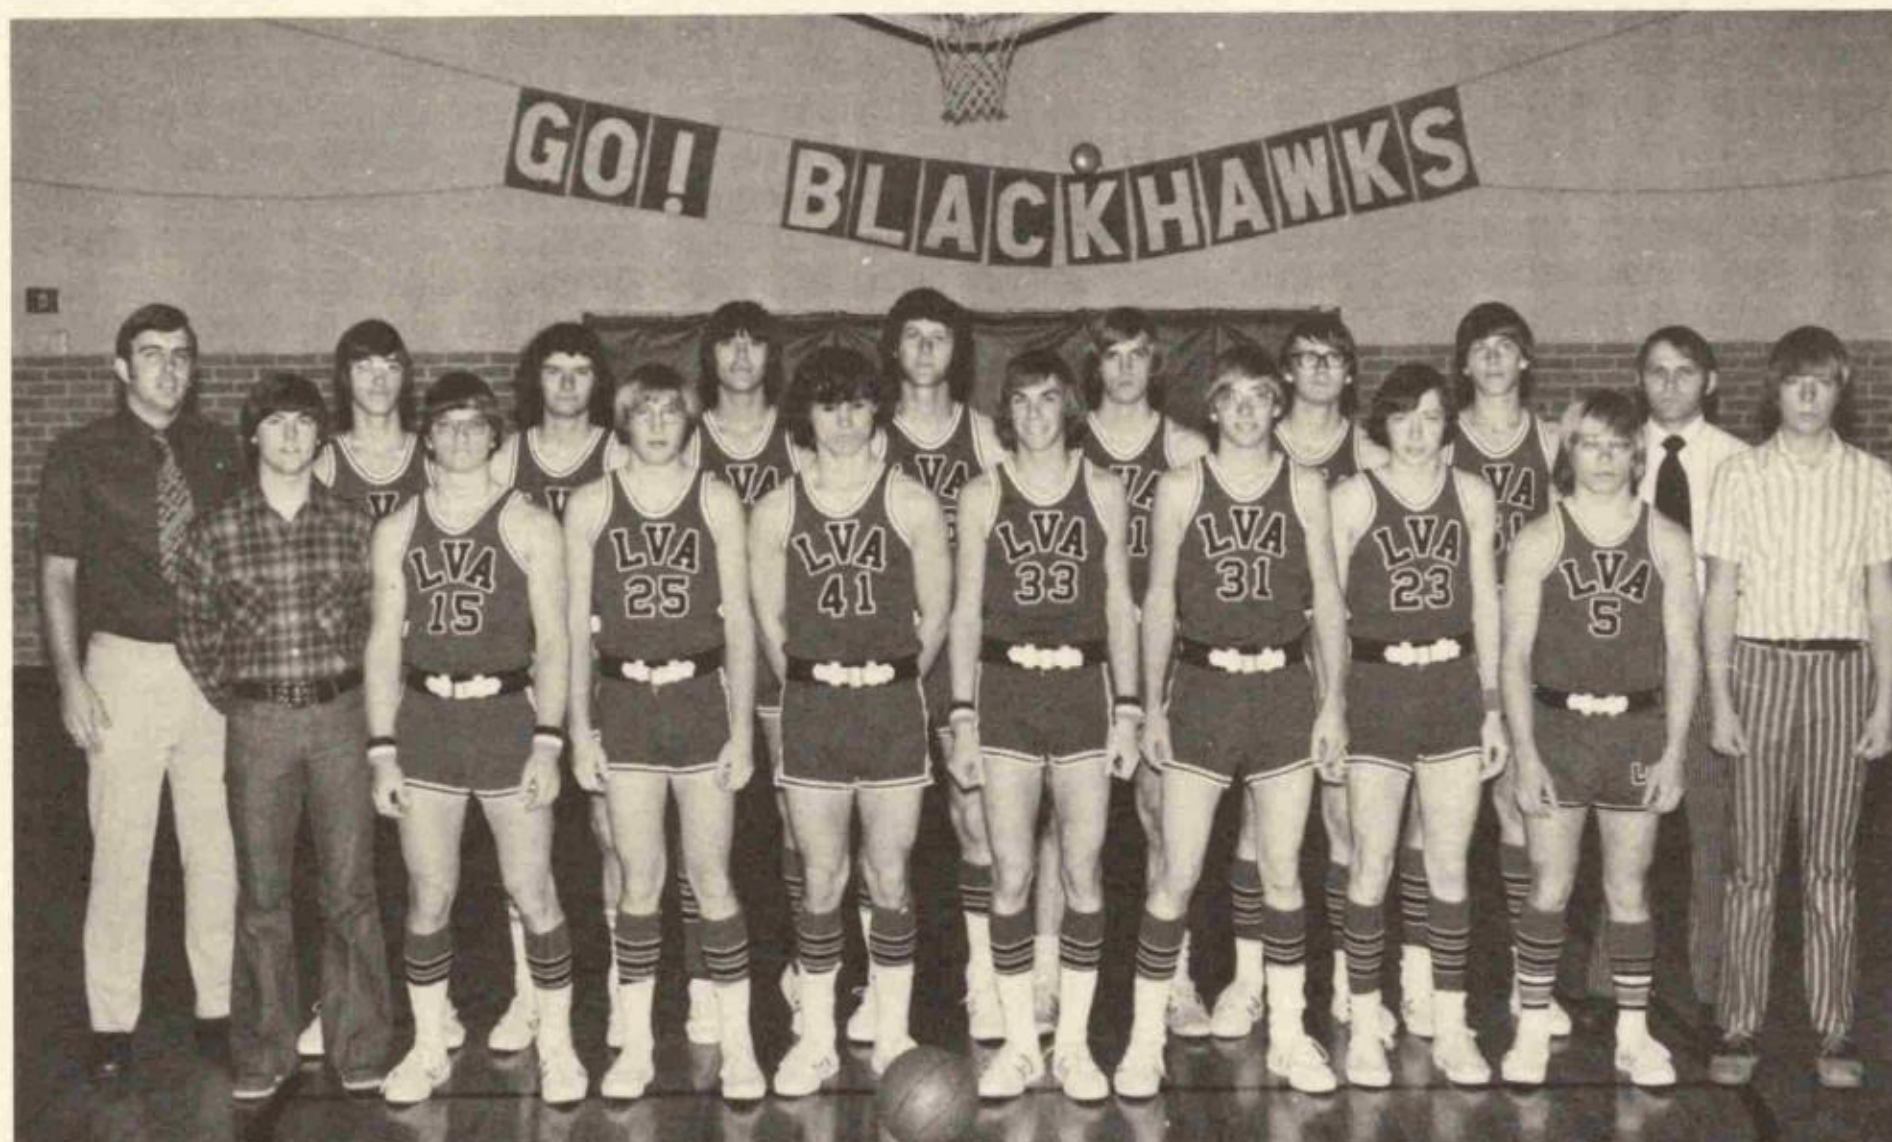

The Blackhawks after a first game loss to Scranton reeled off 12 straight victories before dropping their only conference loss to Galva. Winners of the Bo-Coon Conference, the Blackhawks advanced to the district tournament finals before being eliminated by state tourney entry Aurelia.

Starters Kim Bromley, Craig Schrad, and Kevin Schultz will be lost through graduation, along with the valuable bench play of Paul Fyfe, Craig Johnson, and Brian Mohr. Scoring leader Don Pick and starter Gerry Blessington will return next year to provide a strong nucleus in the defense of their conference title.

The Blackhawks had a very successful season putting together a record of 8 wins and 1 loss. Under the direction of Coaches White and Kraft, they came one game short of the state playoffs. Compiling a scoring average of 26.1 points per game, the defensive unit held opponents to a very stingy 4.4 points per game.

The Blackhawks many accomplishments gave them the second place trophy in the Bo Coon Conference. They finished second in both offense and defense averages gaining 280.1 yards per game and allowing an average of only 130 yards to their opponents.

The Blackhawks' leading tacklers were Paul Fyfe, Brian Blass, Dennis Mein, Geoff Wallace, and Craig Schrad. Congratulations on a job well done!!!

GIRL WITH SOMETHING EXTRA

Mariamelia de Lemos

Melia and members of the Student Council hosted an exchange dinner for several area foreign exchange students. These students also presented an assembly program to the student body.

It passed so fast. It just looks like yesterday I was arriving here. Many friends, good friends, I made and how hard is going to leave them. The teachers with a lot of patience trying to make me learn their subjects. The principal, Mr. McCrea has always been a friend. Mr. Ferguson has been very nice. In the office, Sharon trying hard to spell my name right. The Student Council giving me everything. The kids, all of them, have been just great, joking with me, teasing me, just being FRIENDS.

My family--the Fredrichs--have been a FAMILY. Besides friends, they've been Mom, Dad, sisters and brother.

All the American persons that I've been meeting in different churches or track meets or wherever I go how nice they have been to me. I'll never forget anyone that I knew in U.S.A. and I hope someone would remember me some day. I'll come back here, but I wonder how many persons are going to Brasil to see me. In my house will always have room for friends.

Well, how many times do I have to say "Thank you" to prove you how thankful I am? I would never stop. Thank you, thank you, thank you, . . .

The first activity of the band year was the annual magazine drive. The drive raised enough money to carpet the band room risers.

The marching band was seen in the homecoming parade and at all home football games. The Parade of Bands concert was presented in December, a spring concert, and Swing Show kept band members busy throughout the year. The band also was host to large group contest and earned a I rating in this competition.

NOSTALGIA '74

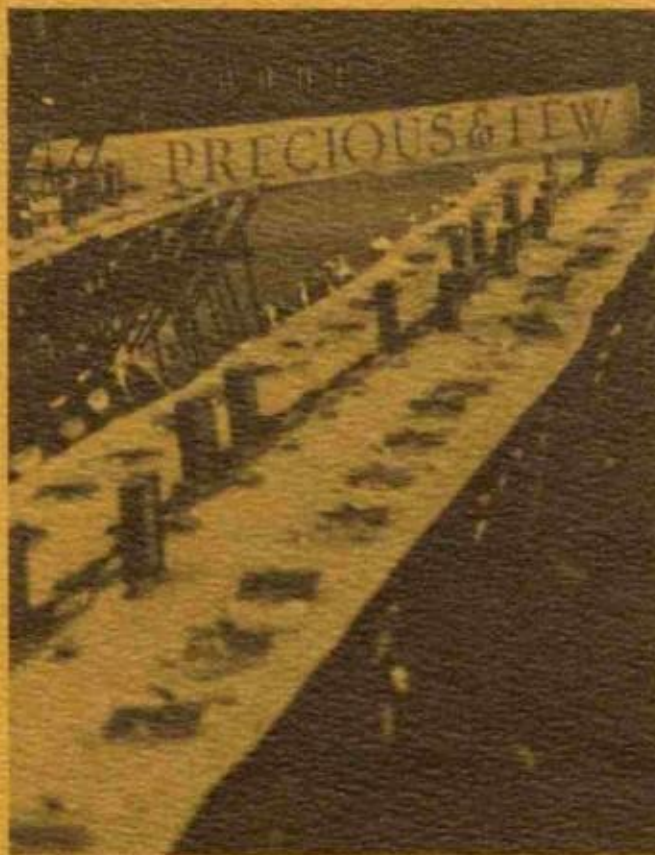

"What ever happened to the 'Good Old Days?'" That very question has spawned many an idea for the entertainment world in the 70's. Television's "Happy Days" and Hollywood's "American Graffiti" are but two of the products of that question. This years swing show brought back many of those memories from the forties, fifties, sixties and early seventies.

THE TONIGHT SHOW

A flurry of excitement, expectation, and anticipation, this is a prom. Waiting and planning for the big night is as much a part of the prom as the actual banquet and dance. Precious and Few was the theme chosen by the juniors for this year's prom which was held on Friday, April 19. The banquet and the dance were held at Lakewood Ballroom. Music for the dance was provided by Malachi. Breakfast was held following at Karstens Drive-In.
